Cold and Flu Season

As cold and flu season approaches, please remember to keep your child home if they are feeling unwell. We know it can be hard to decide when a child is too sick for school, so Interior Health has provided helpful guidelines [here](#).

Halloween Costumes

Dressing up is always fun! Please remember that costumes need to be elementary school appropriate.

- no blood or gore
- no weapons of any kind, even pretend
- no Halloween masks as they restrict vision
- no excessively frightening costumes

As always, we are asking that families not send any food or candy to share.
