

Special Persons' Day

Dear Parents and/or Guardians,

At Belgo, we recognize the diversity of our families and the importance of celebrating the special people in our lives. In inclusively honoring Mother's Day and Father's Day at Belgo Elementary, please join us, with your child(ren), in celebrating the special people in their lives on **Friday, May 24th from 1:30-2:30 p.m.** Any people who play a significant role in your child's lives are invited to attend, such as moms, dads, step-family members, grandparents, aunts, uncles, older siblings, or family friends. We recognize that this will require a bit of juggling with work schedules, and are appreciative of all who are able to attend and participate. There will be stations and fun activities set up around the school for your child and their special person(s) to participate in. The children are excited to share a part of their school lives with the special people in their lives.

Please return the bottom of this notice by Wednesday, May 15th.

We look forward to seeing everyone!

Sincerely,
Belgo Teachers and Staff
