At British Columbia Family French Camp, French Immersion students and other French-speaking children bring their families along to camp!

Families camp in their own tents or trailers and together we form a friendly neighbourhood, surrounded by the sounds of children playing and singing in French with their "Momos", BCFFC's energetic and funny Francophone counsellors!

- ★ Parents don't need to be able to speak French!
- ★ Programs are available for children entering kindergarten all the way up to teens completing high school
- ★ Our dynamic and capable Francophone *moniteurs* (camp counsellors) "Les Momos" keep children highly motivated all week
- ★ Parents enjoy a rewarding blend of lounging time and sharing in a variety of small volunteer duties
- ★ Evening activities are fun for the whole family!

"Every day was filled with fun, songs, adventures, laughs, and conversing in French. Our children are begging to come back next summer!"

Summer Dates

BC Family French Camp is offered at different times and at three different locations throughout the province. Families camp for one week in their own campsite. Activities at each location are designed to take advantage of the local geography, flora, and fauna.

Runs from early July to late August.

Our programs offer immersive experiences for students and conform to the current BC Primary Curriculum.

The school programming at O'Keefe Ranch includes a selection of seven (7) guided and six (6) self-guided program options for Kindergarten and up. Most activities can be adjusted for any age group including middle and high school students. A typical schedule includes four (4) activities--three guided and one self-guided--with time for lunch, but schedules can be adjusted to accommodate your class's needs. Our grounds offer plenty of room to run, play, and explore with over a dozen historic buildings, thousands of artifacts, and so many learning opportunities!
