## Weekly eNews

### N'ha-a-itk (Ogopogo)

This year at Belgo, students have been learning a new Syilx word each week. We've also been exploring the importance of water and the reciprocal relationship it shares with all living things. Check out the Grade 6 students' sculptures of N'ha-a-itk!

### Cold Weather

With colder weather arriving, please ensure your child has appropriate outerwear—such as a coat, hat, and gloves—as students continue to go outside for recess, even on chilly days. We also encourage families to label clothing items so they can be easily returned if misplaced.
