Playground News

Work on our new playground is well underway! The woodchips have been moved to the big playground, and the old structures have been taken out. The ground is now being prepared for rubber flooring and new woodchips. Next week they are pouring concrete. Things are progressing nicely, and we are hopeful that the new playground will be ready for students to enjoy by the end of the month.

Lunch Reminder

The school does not provide utensils for students who forget to pack them with their lunch. If your child is bringing a lunch that can't be eaten with fingers, please remember to pack appropriate cutlery.

Toys and Treats

Please remind your child to keep toys, stuffed animals, and trading cards at home. Each year we see tears and disagreements when items are lost or broken at school, so we ask that these belongings not be brought to class.

We also ask that birthday treats not be sent to school. Any special occasions or classroom events are planned directly with the teacher to ensure they are appropriate, inclusive, and manageable for the class.

School Zones

A friendly reminder that school speed zones of 30 km/h are in effect from 7:30 am to 5:00 pm on school days.

Morning Snack Club

Morning Snack Club officially begins Tuesday, September 16. Students who need some extra food to eat in the morning can wait at the outside door to Room 13 to be let in at 8:15 am.

At the 8:30 am bell students are expected to return to their classroom outside entrance.

Nut Allergies

Belgo is a Nut Aware Zone. Please consider this when packing lunches.
