## **After-School Soccer FAQ for Parents**

### **Q: How does the program work?**

You sign up for your child through our registration portal (<https://kelownacityfc.powerupsports.com/>).

Kids then proceed to the playing field at their school after the final bell. Coaches will then check them in and place them into groups. Sessions will start at 2.45 pm and end at 4.00 pm each day. The 15-minute gap between the final bell and the start of the session is to be used for kids to get to the field and get into their groups.

### **Q: Does a parent need to attend?**

Parents do NOT need to attend the program, though they are welcome to attend to watch.

### **Q: What does my child do after the session?**

After the session ends, children proceed with their usual after-school routine, whether that's heading home on their own or being picked up after the session by an approved adult.

### **Q: What skill level is the program for?**

Kids of all abilities are welcome in the program. The program focuses heavily on individual skill development, so we're confident that any player who attends will improve!

### **Q: Does my child need to wear cleats?**

If your player already has them, they're welcome to wear them - otherwise, regular athletic footwear (running shoes) is great.
