Dear Belgo Families,

You have received information from the district regarding Monday's solar eclipse event. While the eclipse is not at full intensity, observing it directly without appropriate eye protection is dangerous.

<https://www.timeanddate.com/eclipse/in/canada/kelowna?iso=20240408>

During our lunch break on Monday, our students are typically outside for thirty minutes, and we know even with warnings and safety information, it would not be possible to ensure that students do not look directly at the solar eclipse. Therefore, due to this risk, we are not going to have outside lunch recess on Monday. Please know that we have planned extra morning outdoor time for all students.

As the event will be a learning opportunity for many students, for those parents who would like to have their child view the solar eclipse, we would encourage you to pick your child up at lunchtime to do that under your supervision.

Kind regards,

LeeAnn Yapps, Principal/Directrice

Belgo's Student Learning Priorities

- To improve reading for all learners while fostering the joy of reading.
- To make Belgo a place where all students feel a sense of belonging, and play a role in creating a caring community.
